MAGUIRE MAKES HISTORY

Needing a birdie to tie and an eagle to win on the final hole, Leona Maguire reached the par-5 in two, then drained a 10-foot eagle putt that made her the first Irishwoman to win on the Ladies European Tour.

Her victory at the Aramco Team Series – London came with a G430 LST driver and G430 MAX fairway wood among her PING technology. The two-time LPGA Tour winner is well-positioned on the points list to compete for Team Europe at her third straight Solheim Cup in September.

Maguire will tee it up this week at the LPGA's fourth major, the Amundi Evian Championship.

Leona Maguire celebrates her winning eagle

G430 MAX FWs WIN

A G430 MAX 3-wood and 7-wood were in the winner's bag at the John Deere Classic on the PGA Tour.

G430 MAX was the #1 model of fairway wood at the tournament, as it has been at 37 of the past 42 official PGA Tour events. There were 35 in bags.

G430 MAX fairways have contributed to 44 victories worldwide.
