## G430 DRIVERS CRUISING

**W**inning comes naturally to G430 drivers. Their prodigious victory total grew yet again Sunday when a G430 LST was in the winner's bag at the ZOZO Championship on the PGA Tour. It marks the 134<sup>th</sup> tournament claimed with a G430, 95 of them with the LST model.

The trophy tally has come at a feverish pace this year, at one point going 11 straight weeks with at least one G430 win, including a five-win weekend at the end of August. It didn't slow in September and October, when G430 drivers contributed to 17 victories.
