Tyrrell Hatton hit 82% of fairways with his G440 LST driver, helping him earn his career-best major finish (T3).

PING DRIVERS #1 AT MASTERS

G440 LST TOP MODEL

Like the blooming azaleas, PING drivers were everywhere at The Masters, where the brand was T1 in the driver count with 25 in bags (13 staff, 12 non-staff), and the G440 LST was the most-played model*. Tyrrell Hatton was among the pros relying on the low-spin model for his best result in a major.

Hatton's 66 on Sunday matched the low round of the day and included an eagle 2 on the par-4 7th, and four straight birdies on holes 13 to 16. He also posted 66 on Friday, when he hit all 18 greens in regulation playing a combo set of i240 and Blueprint S irons.

Five more staffers who finished inside the top 30 will make the short trip to Hilton Head this week to compete at the next Signature Event, the RBC Heritage: Viktor Hovland, Sam Stevens, Brian Campbell (#1 at Augusta in putts per GIR), Matt McCarty and Harris English.
