

## G440 WINS SURPASS 75

Wins with the G440 LST model are approaching 50.

The top four teams at the Zurich Classic of New Orleans, including the winner, each had a player using a G440 LST driver, the victory pushing the G440 family past the 75-win mark.

Alex Smalley and Kristoffer Reitan finished T2 with their partners, with Smalley earning a spot in this week's Cadillac Championship by virtue of his standing in the Aon Swing 5 competition. Reitan's best finish on the PGA Tour was highlighted by his hole-out for an eagle 2 on the 8<sup>th</sup> hole Sunday, one of three eagles his team made in the alternate-shot format.

Rasmus Neergaard-Petersen tied for fourth, his best result on the PGA Tour, as well. Also relying on G440 LST inside the top 10 were Austin Eckroat, T6, and Matt McCarty, T10.

The PGA Tour win was one of two on Sunday for the G440 LST, joining a victory at the Investec SA Women's Open on the Ladies European Tour.
