SAKUMA SETS MARK

Needing birdie on the final hole to win, Shuri Sakuma got it, rolling in her putt from just under 12 feet to claim her fourth victory of the season at the Hisako Higuchi Mitsubishi Electric Ladies Golf Tournament.

In the process of earning her eighth title over the past two seasons, Sakuma set a new Japan LPGA Tour record with 114 consecutive holes without a bogey.

Her remarkable consistency has come with a bagful of PING technology: G440 LST driver, G430 fairways and hybrid, i240 and Blueprint T irons, s259 wedges, and a Scottsdale B63 putter.

G440 LST DRIVER, MAX FAIRWAYS WIN

A G440 LST driver and G440 MAX 5W were in the winner's bag at the VidantaWorld Mexico Open on the PGA Tour. The LST has contributed to 35 wins this year and 72 victories since its debut.

On the PGA Tour Champions, the winner played a G440 MAX 3W, 5W and 7W to claim the Simmons Bank Championship.
